

JUNE CALLWOOD AWARD

Dr.Arthur Dick

Dr.Arthur Dick was recently awarded the prestigious June Callwood Award at the annual Hospice Palliative Care conference in Toronto.This award is given for outstanding volunteerism in the hospice sector.

Dr.Arthur Dick has been a long time advocate for hospice palliative care in Renfrew and surrounding area. In 2003, Dr.Dick and a group of volunteers came together and discussed building a residential hospice in Renfrew. Due to his hard work and commitment, this dream became a reality and Hospice Renfrew opened in January 2008.

Dr. Dick has been a volunteer member of the Board of Directors at Hospice Renfrew and even since his retirement in 2010 he continues as a member of the Hospice Renfrew Board of Directors and regularly attends weekly Community rounds at the Hospice.

Dr. Dick is an example of unwavering commitment to hospice palliative care that is outstanding and much appreciated.

Hospice Renfrew could not have happened without his dedication and enthusiasm. His commitment has inspired a reality and a model of rural residential hospice care for Ontario.
