

*“...to assist terminally ill individuals to live as fully as possible while maintaining their dignity and comfort, as well as providing support to family and friends.”*

Currently Recruiting

**REGISTERED NURSES**  
**Casual/Flexible**

**SUMMARY**

Hospice Renfrew is a 6 bed residential home like facility that provides quality of life care for those in the final stages of life .We currently require mature, experienced Registered Nurses who wish to work in a positive and supportive patient centered work environment

We offer flexible self scheduling, a competitive salary as well as access to ongoing opportunities for mentorship and education.

The Registered Nurse assumes a lead role in the hospice team; provides direct care to patients that include pain and symptom management as a strong component of this rewarding nursing position. The RN also directs and supervises care provided by the Personal Support Worker, and Hospice Volunteers.

**QUALIFICATIONS**

- Current Certificate of Competency from College of Nurses of Ontario
- Proven knowledge and expertise in hospice/ palliative care; pain and symptom management
