

HOOT for HOSPICE

Presented by

Dear Hospice Renfrew Supporter:

As you may already know, Hospice Renfrew is a 6 bed residential end of life home built in Renfrew for the County of Renfrew and for anyone that has a valid OHIP card. It provides free care to those families of a dying patient. The biggest hurdle we have is to keep this facility free to those that use it. The Ontario government covers approximately 40 to 50% of the funding and it is up to us to generate the rest.

We are planning our second annual event on Saturday, November 12, 2011 at the Renfrew Armouries. It will be an exciting evening for the ladies to experience camaraderie through food and entertainment. We expect to draw between 300 to 500 ladies from the surrounding area.

To make this year a success, we must rely on sponsors for this event. We require having door prizes, silent and live auction items. A cash donation could make your company a level sponsor. Those being: **Gold \$500, Silver \$250 or Bronze \$100**. A donation receipt will be issued for your level. Sponsorship of the dinner, wine or band can also be discussed. Your company name will be on all printed material and will be featured on our new website, www.hootforhospice.ca
