Hospice Renfrew is once again planning their annual Golf tournament. This local fundraising event is designed to raise funds and to continue our public awareness about palliative care programs and services offered in the town of Renfrew and Renfrew County. Hospice Renfrew provides residential end-of-life care, pain and symptom management assessment and treatment, a respite caregiver relief program and bereavement support services to all residents of Renfrew County and the surrounding area.

Did you know we are only partially funded by the Ministry of Health and Long-Term Care? All funds raised from events like the Golf tournament are crucial in ensuring that we can continue to offer our programs and services at no cost to the people we serve.
