

REGISTERED NURSE

Hospice Renfrew is a 6 bed residential hospice providing end of life comfort care and short-term stays for palliative respite care and pain and symptom management. We are currently seeking experienced Registered Nurses who wish to work in a positive and supportive patient-family centered work environment on a casual basis.

The Registered Nurse assumes a lead role in the hospice team by providing direct patient care and is responsible for supervision of care provided by Personal Support Workers, Registered Practical Nurses and Volunteers.

QUALIFICATIONS

Current Registration with the College of Nurses of Ontario

Experience in medical-surgical and/or critical care nursing

Knowledge and expertise in palliative care/ pain and symptom management

Proven leadership and critical thinking skills

Please submit your application by email to: info@hospicerenfrew.ca

Please note that only those selected for an interview will be contacted.
